63	21	90	117	4	125
60	56	109	133	61	
7	83	39	35	103	

Roland Posner's (in)visible hand (and chance) determine the sequence of contributions in this book.

The drawing of lots is documented in the table of contents and as a video performance on the attached CD (camera: Roman Tashakkori).
